during the Dasara Session, or an income of Rs. 18/- per member annually. Out of the 280 members about 50 may be taken as members of those who do not seek Govt. accommodation and another 50 including guests and absentees may not also apply for accommodation. For the remaining 180 members at Rs. 18/- a member the annual income would be 2880 rupees.

15 The G.O. dated the 12th November 1923 sanctioning l.a. etc to the members of the Representative Assembly, expressly says (Vide para 4 thereof) that "actual charges not exceeding one rupee per day..... will be levied." But in practice, although the printed memo issued to the members specifying the facilities that would be afforded to them, invariably contained the clause about their liability to pay the actual charges of accommodation up to a maximum of one rupee per day, no charge has yet been levied on the strength of the Dewan's order dated the 18th June 1926. (Flag P.).

16 The Comptroller draws the attention of the Govt. to this matter and suggests that if no accommodation is provided, a certificate to that effect should be furnished by the member in his l.a. bill.

17 A large sum of money is spent by the spl. Duty officer in providing accommodation to such of the members as require accommodation, in addition to giving them other facilities such as medical assistance, lunch, etc. Non-official members also get their l.a., ~~in addition to daily allowances of Rs 45~~.

and all members (local & mofussil) get a daily allowance of Rs 5/-
That means that mofussil members practically get more than Rs 6/- a day, if the minimum charges of accommodation are taken into account. The members have enjoyed this privilege for over 4 years now and it is a point for consideration whether this, single levy may not now be insisted upon in the case of those who want accommodation hereafter. The annual realization on account of this quite legitimate charge is expected to be not less than Rs 2,500.

18. There is all the more reason for seriously considering this question, as nearly every member wants retrenchment in the expenditure of Govt and by levying the fee, the expenditure on T.A. to members will be reduced by about Rs 2,500.

19 The question of modifying the T.A. bill form proposed by the Compln: depends on the decision on the above point.

Sir,

With reference to your letter No.121 dated 14th July 28, stating that the provision contained in Note 1 to Appendix T. of the Mysore Service Regulation gives option to Government either to levy rent or not, I have the honour to state that para 4 of G.O. The consolidated certificate now sent by you will not meet audit requirements. It is therefore requested that either rent may be recovered and a certificate to that effect given or special sanction of Government obtained for not recovering it.
